

Software License Agreement

THESE LICENSE TERMS ARE AN AGREEMENT ("AGREEMENT") BETWEEN YOU ("LICENSEE") AND STAR COMMUNICATIONS, INC. ("STAR") REGARDING USE OF THE SOFTWARE DEVELOPMENT KIT ("SDK"). BY USING THE SDK, YOU ACCEPT THESE TERMS. IF YOU DO NOT ACCEPT THIS AGREEMENT, DO NOT USE SDK. INSTEAD, CONTACT STAR COMMUNICATIONS, INC. TO ARRANGE RETURN.

1. **Ownership.** Star owns all software, firmware, and other elements comprising SDK, whether in human-readable form ("Source Code") or in machine-readable form ("Object Code"), including SDK Source Code and Object Code copied to or generated on any computer system. Star retains all right, title, and ownership throughout the world. All rights not expressly granted in this Agreement are reserved by Star.

2. **License.** Star grants Licensee a non-exclusive, non-transferable, royalty-free license to use SDK. Licensee may freely incorporate SDK as part of software and/or firmware developed by Licensee. Licensee must not reverse engineer SDK. Licensee must not publish or sell information about SDK to others. Licensee must not distribute, re-distribute, sell, sublicense, rent, loan, or lease all or any portion of SDK to any third party except as provided in the following paragraph.

Licensee may freely sublicense and re-distribute all or any portion of SDK that has been incorporated in Licensee's own software and/or firmware, provided (i) Licensee's software and/or firmware has significant and primary functionality beyond that of SDK, (ii) SDK is a necessary and irremovable part of Licensee's software and/or firmware, and (iii) Licensee includes all original copyright, trademark, and other proprietary notices with SDK.

3. **Term.** This Agreement is effective until terminated. Star has the right to terminate this Agreement immediately if Licensee fails to comply with any term of this Agreement. Upon termination, Licensee must (i) return all full and partial copies of SDK immediately to Star, and (ii) discontinue distribution of any software or firmware that incorporates all or any portion of SDK.

4. **Disclaimer of Warranty.** Star licenses SDK to Licensee on an "AS IS" basis and without warranty of any kind. Star makes no warranties, express or implied, whether by statute, common law, custom, usage, or otherwise as to SDK or any component thereof, including but not limited to merchantability, fitness for purpose, or non-infringement.

5. **LIMITATION OF LIABILITY.** STAR IS NOT LIABLE FOR AND LICENSEE IS NOT ENTITLED TO ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES; FOR EXAMPLE LOSS OF REVENUE OR PROFITS, LOSS OF USE, LOSS OF DATA, LOSS OF CUSTOMERS, DAMAGE TO COMPUTER SYSTEMS, OR INJURY TO REPUTATION. LICENSEE'S RECOVERY FROM STAR FOR ANY DIRECT DAMAGES WILL NOT EXCEED FIFTY U.S. DOLLARS (\$50.00). LICENSEE WILL INDEMNIFY, DEFEND, AND HOLD STAR AND ITS SUPPLIERS HARMLESS FROM AND AGAINST ANY CLAIMS OR LAWSUITS, INCLUDING ATTORNEYS' REASONABLE FEES, BASED ON (i) STAR'S COMPLIANCE WITH LICENSEE'S DESIGNS, SPECIFICATIONS, OR INSTRUCTIONS, (ii) MODIFICATION OF SDK BY ANYONE OTHER THAN STAR, OR (iii) USE OF SDK IN COMBINATION WITH OTHER SOFTWARE, FIRMWARE, AND/OR HARDWARE.

6. **Distribution of Licensee's Software.** Licensee will indemnify, defend, and hold Star and its suppliers harmless from and against any claims or lawsuits, including attorneys' reasonable fees, that arise from the use or distribution of Licensee's software and/or firmware in which all or any portion of SDK is incorporated, provided that Star gives Licensee prompt written notice of any such claim, tenders to Licensee the defense or settlement of such a claim at Licensee's expense, and cooperates with Licensee, at Licensee's expense, in defending or settling such claim.

7. **Critical Applications.** SDK is not intended for use in critical safety, life support, or other applications where a failure may reasonably be expected to result in personal injury, loss of life, or catastrophic property damage. If Licensee re-distributes SDK for use in such applications, Licensee acknowledges that such use is at Licensee's sole risk. Licensee will indemnify, defend and hold Star and its suppliers harmless from and against any and all liabilities and costs arising out of or in connection with such use or re-distribution.

8. **Export Control.** SDK is subject to export control laws, regulations, and orders of the United States and the export or import control laws and regulations of other countries. Licensee will not directly or indirectly export or divert all or any portion of SDK, or its documentation, to any third party or country where such export or transmission is restricted or prohibited. Licensee is responsible for any export, re-export, or import licenses needed.

9. **SDK Information.** SDK information, including specifications, export or import control classifications, and conformance with legal or other requirements, is provided by Star on an "AS IS" basis. Star makes no representation as to the accuracy or completeness of the information, and disclaims all representations, warranties and liabilities under any theory with respect to the information, including any implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement. Star recommends that Licensee validate any SDK information before using or acting on such information. All SDK information is subject to change without notice. Star is not responsible for typographical or other errors or omissions.

10. **Notice to U.S. Government Users.** SDK and its documentation are "Commercial Item(s)", as that term is defined at 48 C.F.R. §2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation," as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable.
